Inspiring People to Become Followers of Jesus Christ

February 2015

Dear Sir or Madame,

The Youth Ministry at CrossRoad United Methodist Church is hosting our annual Silent Auction fundraising event on Sunday, April 26th, 2015 and we would love for you to participate! We have several trips and events that help to enrich the lives of young people while teaching them how important they are, that they have responsibilities to help and care for others, and that the church is a great place from which to launch their good works in the world. Many of these events cost more than a typical family is able to spend over the course of a year, so we do our best as an organization to help offset those costs through fundraisers such as this. We would be thrilled to accept your gift to help meet these special needs.

We are asking you to donate any goods or services you have in order to make our auction a success. With over 1200 church members, your company's name will be seen by people from all over the Jacksonville area. Enclosed is a form that you can fill out if you choose to make a donation. All donations are tax deductible and you will receive a receipt for your donation. All donated items need to be collected by Sunday, April 19th, 2015. If you have any questions, please contact our Youth Ministry Office at (904) 493-1249 or corey@crcumc.org for more information. We appreciate your time and effort! Thank you in advance for helping to enhance the lives of young people in our community.

Sincerely,

Corey Markle, Youth Ministry Director

Sandy Sprague, Silent Auction Director

CrossRoad Church, UMC
